

Invest Europe DACH Regional CVC Meeting.

To be held on **28 April 2016** from **12.30 till 16.15 CET**
at **Syngenta Ventures, Schwarzwaldallee 215 - 4058 Basel, Switzerland**

Thank you to Michael Lee, for hosting us: Similar to the last event, all corporate venture units are invited (apologies, no advisors and financial venture capital firms). The invitation is aimed mainly at the DACH corporate venture community, but is open to all interested European CVCs. We would therefore encourage you to pass on the invitation to your CVC contacts (please note that final registration of individuals will be at the discretion of Invest Europe).

We are excited to announce that Innosight will join us from Boston to discuss how venture groups can improve a large company's innovation capability in non-core areas.

Please see here the agenda:

12.30 Lunch

13.15 Welcome - Jan Westerhues, Chairman, Invest Europe CVC Roundtable & Dörte Höppner, Chief Executive, Invest Europe.

13.25 Welcome & Introduction of Syngenta Ventures - Michael Lee, Managing Director, Syngenta Ventures.

14.10 "Venturing beyond the boundaries - how can a venture group improve a large company's innovation capability in non-core areas?" - Elliott Parker, Innosight - *Innovation in non-core spaces is a perennially difficult problem for larger companies. Innosight will describe a framework so the parent MNC can better face the future, and where CVC might help participate or indeed drive that discussion.*

15.00 Overview on OECD work on Base Erosion and Profit Shifting (BEPS) - Michael Collins, Deputy Chief Executive and Public Affairs Director

15.45 Discussions and Conclusions

To register for the meeting please rsvp to beatrice.vancaillie@investeurope.eu by 22 April 2016.

We look forward to seeing you in the spring.

Best wishes,

Dörte Höppner, Chief Executive, Invest Europe

Jan Westerhues, Partner, Robert Bosch Venture Capital - Chairman, Invest Europe CVC Roundtable
